IF YOU KNIT OR CROCHET - WE NEED YOU!

How many of you visited Inkberrow church in November to see the curtain of poppies that went from the top of the bell tower, all the way to the ground. It took an enormous amount of poppies, 5,000 - 6,000 - to achieve this amazing sight.

Our rector, Gary Crellin would like to do something similar at one of our four churches to mark Remembrance Day 2025. Before then, discussions need to take place and plans need to be made, but the number and type of displays that can be created will depend on the number of poppies produced.

That's where you come in. If everyone knitted one poppy a day between now and the end of October it would equal well an awful lot of poppies. I have been busy crocheting them since Gary came up with the idea in November and one thing I have learned already is that they take up a lot of room and that yarn is expensive. If you are unable to store the poppies when complete, please contact me and I will collect them.

I have managed to source 100g balls of Dk at £1.20 per ball. I'm happy to deliver if you would like a supply. Please contact me on E: thebarnowls06@gmail.com
Tel: 01684 891760

Poppy knitting and crocheting patterns are readily available on the Internet, if you would like one printing out, again, please contact me.

Please feel free to pass the word on to any family, friends, clubs, groups, who may help to achieve this.

Old Hills Malvern Churches Vicar's Pastoral Letter - February 2025

Dear Friends

Many people will now have discovered that their **new year's resolutions** have started to falter. All the best intentions can fail after a little time and ordinary life. We start out so well, but then time and circumstances take their toll, and we lose sight of what we had hoped for.

In the Church year, at the beginning of February we change over from finishing the Christmas season with **Candlemas** (2nd February'25, services at Guarlford & Powick) into starting to prepare for **Easter**. The idea is that we move from one celebration to another through seasons which prepare us appropriately. **Lent** will soon start but this year (Ash Wednesday is on 5th March'25). There will not be a Lent course as such in our parishes but I will be promoting other opportunities across the deanery where our presence will no doubt add flavour to the discussions and learning. I hope both church councils can agree on a charity collection opportunity for the coming Lenten journey.

There are so many things unstated in our lives that it is good to sometimes have a chance to think about how things are going and how we might improve. Our society now considers many things acceptable which used to cause terrible guilt: **divorce** is one; and conversely, we now look down on things which used to be perfectly acceptable: **smoking** is one. There is an intellectual idea that if we can remove the restrictive ideas of the past, then we shall no longer feel guilt. **Guilt** is an internal feeling imposed on ourselves by memories of the past. **Shame** is when that guilt is imposed from other people. The Church looking down on divorced people where it wanted to promote marriage caused huge guilt and shame in those who were divorced. In society, those who were divorced were excluded from certain social events. Nowadays we feel rightly differently; many people had this trauma of marriage breakdown in their lives and there should be no need to keep heaping guilt upon them. With our parishes' wedding preparation happening soon at Valentine's, I will be welcoming couples who have found love again and it will be a privilege to marry them in their local church this year.

And the Church is not immune. With **safeguarding** rightly at the forefront of all of our ministries, I know how hurt and saddened people have been by the way the Church has not learned lessons from countless safeguarding reports and so many people have been harmed. We should all take safeguarding very seriously and there are routes to report concerns should you need to. As the Church of England wrestles with the challenges it is facing, we all need to be reminded again and again that we have a Saviour. We celebrated His arrival at Christmas, and we celebrate His victory over sin and guilt at Easter. What we need to do is accept our part in the failures of the past (whatever they may be), and then bring them to our Saviour and ask for his forgiveness and mercy. Then we need to receive that **forgiveness** and start to move into a newly forgiven part of our lives.

I have found the Serenity prayer, which guides us to seek God's help, to be really useful in my life and I commend it to you.

God, grant me the serenity to accept the things I cannot change,
the courage to change the things I can,
and the wisdom to know the difference

Every blessing

Rev Gary

The Reverend Gary Crellin, Area Dean of Malvern & Upton and Vicar of the Parishes of Powick with Callow End, Guarlford & Madresfield with Newland

GUARLFORD WI

December was a busy month for Guarlford members. Early in the month we had our **annual Christmas party**, which was held in the newly-refurbished village hall. Members contributed a wide array of delicious buffet food and drink, and there was plenty of chatting and laughter.

Also early in the month the village hall was the venue for the annual **Guarlford Christmas Craft Fair**, and as usual some of our talented craft members helped out with making some of the items for sale, some baked cakes, and others helped by manning the stalls, and serving refreshments to all the people who braved one of the windiest days of the year to come and browse the stalls, buying gifts for friends and family for Christmas. The event was a great success, and raised funds for the village hall.

Our **skittles team** was in action on two occasions, against Poolbrook ladies in December and in mid-January against the West Malvern team. We surprised ourselves by winning one of the matches, but I am afraid to say yours truly was the weakest link on both occasions. As ever, the evenings were good fun, with all of the teams enjoying both the games and the company. As usual, Barnards Green cricket club was the venue for our matches.

In early January, our New Year meal was once again held at the Robin Hood at Castlemorton. Many of our members and their partners enjoyed a delicious lunch, and convivial company.

Our next ongoing project is to help the Guarlford community by knitting poppies for the celebration later in the year to mark 80th anniversary of VE Day. The reason our crafty ladies are starting so early is that it is hoped to decorate not only the war memorial outside the church but, if we can manage it, poppies to place around the perimeter walls of the churchyard. This is a community project, so hopefully enough people will feel inspired to pick up their knitting needles.

So you can see that our WI has plenty to keep it busy.

We will soon be planning our programme of speakers for the coming year, so we have plenty of interesting things to look forward to in 2025.

HELP YOUR COMMUNITY

Everyone is welcome to advertise their services in our *Grapevine*.

In return, we would like a donation to be paid to the *Grapevine* account. See page 2 for bank details.

When there is enough money to be useful, a small team will decide which community project is supported with *Grapevine* funds. It might be new curtains for a village hall, prefect badges for a school or the hire of a digger to clear a pond.

The Stitchery logo features a stylized sheep with a needle and thread. Below it, the text reads 'FABRICS - WOOLS - HABERDASHERY'.
